12. What is working well to support people with disability in Vincent?

13. What makes it hard for people with disability to access information, services, facilities and public places in Vincent?

Information includes hard copy and digital materials such as the City's website, online forms and social media. Services are the things we do for you, like collecting your rubbish and providing a library service. Public places are the places we own that people use like parks, the library and the pool.

14. What makes it hard for people with disability to participate in events and activities?

Activities are the small and big events we run, like classes at the library and the Festival of Culture.

Your ideas

15. What would make it easier for people with disability to access our services and facilities, find information and participate in events and activities?

16. What would help people with disability feel welcome and included in the community?

17 Please tell us if there is anything else you think should be included in the Disability, Access and Inclusion Plan?
