 Balance	 Climb	 Glide	 Jump	 Push	 Rotate	 Spin	 Swing	 Socialise	 Sensory	 Construct
PHYSICAL				SOCIAL EMOTIONAL				COGNITIVE		CREATIVE
 Bounce	 Crawl	 Hang in Arms	 Pull	 Rock	 Slide	 Sway	 Rule Play	 Wonder	 Dramatic Play	

Rocking with friends is highly attractive and will inspire children to come back again and again. The rocking movements train the arm and leg muscles, pushing and pulling the Mars Rover into movement.

Ladybug will make children learn the connections between their bodies and their movements, they begin to make cognitive connections to a range of body movements and sensations.
