AN OPPORTUNITY TO SHAPE THE FUTURE
OF VINCENT FOR THE NEXT 10 YEARS!

www.imagine.vincent.wa.gov.au

MAYOR'S MESSAGE

A big thank you to all Vincent community members who have been involved in Imagine Vincent so far!

At the heart of this conversation is an important question – “What do you see when you Imagine Vincent over the next ten years?” We’ve been out and about discussing this in our community, and we are inspired by your imaginations and ideas. This is a collaboration between community and Council as we work together to shape our Strategic Community Plan for the next decade.

There are still plenty of opportunities to join in the conversation. Please look out for us at the Kyilla Farmers Market, the Mezz or in the heart of Leederville over the coming weeks. We’re also excited to be hosting the Imagine Vincent Cup! You can watch the footy at Leederville Oval on Saturday 19 August 2017 – free for Vincent ratepayers – and also share your thoughts with us on the day.

If you can’t make it to an event, please jump online at imagine.vincent.wa.gov.au – read about what’s happening and share your views. Your input will drive the focus of our Strategic Community Plan, ensuring we are headed to where our community wants us to be.

This is a fantastic opportunity for you – our community – to help us create a shared vision for Vincent together.

Best regards,

Emma Cole

Kyilla Park, 8.00am

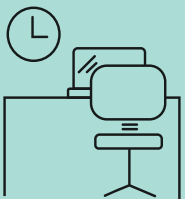

IN JUNE WE ASKED THE COMMUNITY TO HELP US DEVELOP THE BIG QUESTIONS THAT WE WILL NEED TO CONSIDER OVER THE NEXT TEN YEARS.

WE ENCOURAGE YOU TO SIT WITH YOUR FAMILY, FRIENDS AND NEIGHBOURS TO COME UP WITH YOUR ANSWERS!

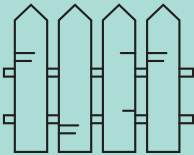

How can we help build connections across our diverse community of people?

How can we support and facilitate our local businesses/ enterprises/services and stay flexible to change?

How can we be the leader in helping people get around in an active, safe and sustainable way?

How can the design of our neighbourhoods encourage a greater sense of community?

How can we maximise the benefits of population growth and improve our environment?

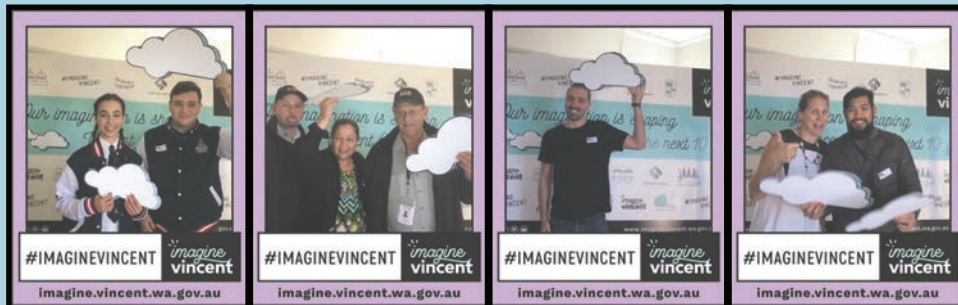

How could we work together to create welcoming places and spaces for everyone?

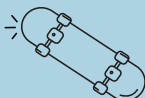

What do you love about Vincent? How can we celebrate and promote our uniqueness?

Vincent Fast Facts

YOUNG PEOPLE LOVE OUR CITY WITH MOST NEW RESIDENTS AGED BETWEEN 20 – 24.

THE ESTIMATED RESIDENT POPULATION IS 37,856 WITH A POPULATION DENSITY OF 33.20 PERSONS PER HECTARE.
