Proposal Details:

The proposed development application seeks approval for a Change of Use from Grouped Dwellings (6) to Tourist and Visitor Accommodation, within the Residential Zone. The development will be managed by Sepal Stays, a short-term management company.

The applicant has provided the following information in relation to the proposed use of the development:

Unit Breakdown	Number of Bedrooms	Maximum Number of Guests	Parking Allocated
Unit 1 / 121-125 Charles Street	1 Bedroom	2 Guests	1 bay
Unit 2 / 121-125 Charles Street	1 Bedroom	2 Guests	1 bay
Unit 3 / 121-125 Charles Street	1 Bedroom	2 Guests	1 bay
Unit 4 / 121-125 Charles Street	2 Bedrooms	4 Guests	1 bay
Unit 5 / 121-125 Charles Street	1 Bedroom	2 Guests	1 bay
Unit 6 / 121-125 Charles Street	1 Bedroom	2 Guests	1 bay
Total (entire Tourist and Visitor Accommodation development)	7 Bedrooms	14 Guests total	6 total bays

The following rules apply across the entire Tourist and Visitor accommodation development:

- No visitors or pets permitted
- Min. nights stay: 2 nights
- Max. nights stay: 3 months
- Quiet Hours between 9pm and 7am

The following documents have been provided by the applicant and are included in the advertising package on the City's website for reference during the consultation period:

- Floor Plans
- Management Plan
- Code of Conduct
- Complaints Management Plan
- Parking Management Plan

Details of aspects requiring discretion are provided in the below table:

Policy Provision/ Acceptable Development	Proposed	Policy Objectives	Comment
Land Use			
Local Planning Scheme No. 2 – Zoning Table Previously Grouped Dwellings which are a Permitted use.	Proposed 'Tourist and Visitor Accommodation' development is an 'A' use within the Residential Zone.	Local Planning Scheme No. 2 – Residential Zone Objectives • <i>To provide for a wide variety of active uses on street level which are compatible with residential and other non-active uses on upper levels.</i> • <i>To facilitate and encourage high quality design, built form and streetscapes throughout residential areas.</i> • <i>To provide for a range of non-residential uses, which are compatible with and complementary to residential development.</i> • <i>To promote and encourage design that incorporates sustainability principles, including but not limited to solar passive design, energy efficiency, water conservation, waste management and recycling.</i> • <i>To enhance the amenity and character of the residential neighbourhood by encouraging the retention of existing housing stock and ensuring new development is compatible within these established areas.</i> • <i>To manage residential development in a way that recognises the needs of innovative design and contemporary lifestyles.</i> • <i>To ensure the provision of a wide range of different types of residential accommodation, including affordable, social and special needs, to meet the diverse needs of the community.</i>	

Policy Provision/ Acceptable Development	Proposed	Policy Objectives	Comment
Local Planning Policy: Short Term Accommodation			
1.1.1 Should be located within the following zones: • Local Centre; or • District Centre / Regional Centre; or • Commercial; or • Centre.	Located in a Residential Zone	Local Planning Policy: Short Term Accommodation Policy Objectives 1. <i>Positively contributes to the surrounding locality and diversity of accommodation types offered in the area.</i> 2. <i>Are managed in a manner that protects the amenity of the surrounding community to the level necessary for its context.</i> 3. <i>Are located, designed and operate in a manner that minimises the level of noise generated by guests and impact that noise has on the surrounding community.</i> 4. <i>Do not negatively impact on the heritage integrity of a place or its historical and social value.</i> 5. <i>Do not have an undue impact on the amenity of the area, including surrounding residential properties and businesses.</i> 6. <i>Provide sufficient car parking or access to alternative transport modes to minimise negative impact on the amenity of the area.</i>	
1.1.2 Where proposed within the Residential or Mixed Use zone, should be within 100 metres walkable distance of recognised tourist destinations (such as cultural precincts, major recreational attractions, or activity centres) and a transit stop on a high frequency public transport route;	The site is located 600m away from the Beatty Park Leisure Centre. The site is 358m walk from a transit stop.		
1.1.3 Useable outdoor spaces are located and designed to minimise amenity impacts to habitable rooms and useable outdoor spaces of adjoining residential properties.	The proposed Tourist and Visitor Accommodation has outdoor living area adjacent to the openings and outdoor spaces of an adjoining property on Prospect Place.		
1.2.1 Car parking should not be located within communal and/or visitor parking bays in grouped or multiple dwellings.	The proposed car parking bays are in an arrangement within the communal parking area shared with the Orthodox Church Evangelismos.		

(If you wish to provide further comments regarding the above matter, please attach a separate page to this form.)

Please note all provisions are open to the exercise of judgement based on the policy and/or scheme objectives for that element.

The City is undertaking community consultation to seek input from interested residents; it is not to be taken as any actual or implied support for the application. A decision on the matter will not be made until after the conclusion of the consultation period, following review of all submissions.
