Proposal Details:

The proposed development application seeks approval for a Change of Use from a Multiple Dwelling to Unhosted Short Term Rental Accommodation, within a Residential Zone.

The applicant has provided the following information in relation to the proposed use of the development:

- Maximum number of Guests: 2
- Maximum number of Visitors: Visitors require property manager consent and no overnight visitors allowed
- Min. nights stay: 3 nights
- No. of parking bays: 1

The following documents have been provided by the applicant and are included in the advertising package on the City's website for reference during the consultation period:

- Floor Plans
- Management Plan
- Code of Conduct (floor plan and site plan enclosed)

Details of aspects requiring discretion are provided in the below table:

Policy Provision/ Acceptable Development	Proposed	Policy Objectives	Comment
Land Use			
Local Planning Scheme No. 2 – Zoning Table			
'A' land use	Proposed Unhosted Short Term Accommodation within the Residential Zone.	Local Planning Scheme No. 2 – Residential Zone Objectives • To provide for a range of housing and a choice of residential densities to meet the needs of the community. • To facilitate and encourage high quality design,	

Policy Provision/ Acceptable Development	Proposed	Policy Objectives	Comment
		<i>built form and streetscapes throughout residential areas.</i> <i>To provide for a range of non-residential uses, which are compatible with and complementary to residential development.</i> <i>To promote and encourage design that incorporates sustainability principles, including but not limited to solar passive design, energy efficiency, water conservation, waste management and recycling.</i> <i>To enhance the amenity and character of the residential neighbourhood by encouraging the retention of existing housing stock and ensuring new development is compatible within these established areas.</i> <i>To manage residential development in a way that recognises the needs of innovative design and contemporary lifestyles.</i> <i>To ensure the provision of a wide range of different types of residential accommodation, including affordable, social and special needs, to meet the diverse needs of the community.</i>	
Local Planning Policy: Short Term Accommodation			
Should be located within the following zones: - Local Centre; or - District Centre / Regional Centre; or - Commercial; or Centre.	Located in a Residential Zone	Local Planning Policy: Short Term Accommodation Policy Objections <i>Positively contributes to the surrounding locality and diversity of accommodation types offered in the area.</i> <i>Are managed in a manner that protects the amenity of the surrounding community to the level necessary for its context.</i> <i>Are located, designed and operate in a manner that minimises the level of noise generated by guests and impact that noise has on the surrounding community.</i> <i>Do not negatively impact on the heritage integrity of a place or its historical and social value.</i>	
1.1.2 Where proposed within the Residential or Mixed Use zone, should be: Within a 100m walkable distance of key tourist destinations (such as cultural precincts, major recreational	The subject site is within a 700m walkable distance to Beaufort Street, 500m to Hyde Park and 130m from a high frequency public transport route (bus).

attractions or activity centres) and a transit stop on a high frequency public transport route; and Meet the land use specific location criteria provided in 2.1 (i.e. should be located adjacent to, or have a direct interface with, other non-residential uses that are not sensitive to noise, and in areas where ambient noise/activity already exists)	Is wholly surrounded by residential uses/ zoned land.	5. <i>Do not have an undue impact on the amenity of the area, including surrounding residential properties and businesses.</i> 6. <i>Provide sufficient car parking or access to alternative transport modes to minimise negative impact on the amenity of the area.</i>	
1.1.3 Useable outdoor spaces are located and <u>designed to minimise amenity impacts to habitable rooms and useable outdoor spaces of adjoining residential properties.</u>	The proposed change of use's outdoor living area (OLA) interface is located away from the northern adjoining property's OLA. To the south, a Juliet balcony is positioned above the adjoining property's OLA. The western adjoining property contains an OLA directly adjacent to the subject site, while there is no adjoining property to the east.		
1.1.1 Car parking should not be located within communal and/or visitor parking bays in grouped or multiple dwellings.	Carparking located within communal/ visitor parking bay		

(If you wish to provide further comments regarding the above matter, please attach a separate page to this form.)

Please note all provisions are open to the exercise of judgement based on the policy and/or scheme objectives for that element.

The City is undertaking community consultation to seek input from interested residents; it is not to be taken as any actual or implied support for the application. A decision on the matter will not be made until after the conclusion of the consultation period, following review of all submissions.
